To whom it may concern

Jim Coen attended Bray Institute of Further Education from September 2010 to May 2011. He completed an ITEC Diploma in Anatomy & Physiology and was awarded a Distinction. Jim engaged well with all of the academic aspects of the course and demonstrated his ability to work well both independently and as part of a group. He accepted the guidance and critique offered to him by his tutors.

Jim engaged well with his course, he had an excellent attendance and timekeeping record, meeting all his course deadlines throughout the year.

In the time that I knew him, Jim has shown to be a trustworthy and reliable person.

Yours sincerely
